

LED Glass GU10 3 CCT

- The Glass GU10 3 CCT combines the retro feel of halogen lamps with the efficiency of LED technology, with the added benefit of selectable colour temperature
- Precision moulded polycarbonate lens
- Simply move the switch on the lens to select the desired colour temperature
- True fit GU10 size
- Suitable for fire rated and IP rated fixtures
- 40° beam angle
- High grade driver designed for smooth dimming at min & max load levels, operating effectively with rotary and digital dimming systems

3 Year Silver Warranty
