5 Colour CCT Filament GLS

- 5-in-1 CCT versatility, instantly switch between 2200K, 2700K, 3000K, 4000K, and 6000K colour temperatures.
- Innovative twist control, simply rotate the Edison Screw cap to select your preferred light tone.
- True GLS form factor – classic bulb shape for perfect compatibility with existing fixtures.
- Reduced stock complexity, one lamp replaces multiple SKUs, optimising shelf space and inventory management.
- Warm to cool lighting flexibility, from ultra-warm ambience to crisp daylight, all in one lamp.
- Filament LED technology, delivers vintage style with modern energy efficiency.
- Ideal for retail and residential use, suits a wide range of applications with a single product

3 Year Silver Warranty
