

5 Colour CCT LED GLS

- 5-in-1 CCT versatility - instantly switch between 2200K, 2700K, 3000K, 4000K and 6000K colour temperatures.
- Innovative switch control, simply adjust the switch to select your preferred light tone.
- True GLS form factor - classic bulb shape for perfect compatibility with existing fixtures
- Reduced stock complexity, one lamp replaces multiple SKUs, optimising shelf space and inventory management.
- Warm to cool lighting flexibility, from ultra-warm ambience to crisp daylight, all in one bulb.
- Ideal for retail and residential use, suits a wide range of applications with a single product

5 Year Silver Warranty
