

Installation Instructions: Wattage Switchable Linear Highbay

Read these instructions before installation and retain for future reference

Code: 70340/2/3/4

This equipment should be installed by a competent electrician

Important Information

We recommend that luminaires are installed by a qualified electrician ensuring the installation complies with current IEE wiring regulations & local building control..

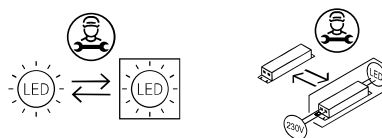

- BELL Lighting will not accept responsibility for any claims arising from poor installation.
- The operating temperature should be between -20 and 35°C.
- Ensure that there is adequate free air ventilation around the fitting.
- Do not cover with insulation.
- Always switch off mains supply before installing.
- Mount to a stable, secure surface that is rated for the weight of the luminaire.
- Ensure all earth connections are secure, and the luminaire is effectively grounded.
- Not suitable for ATEX hazardous zones (explosive atmospheres).
- To ensure optimum performance, keep the front diffuser clean. Wipe with a soft, damp lint free cloth. Do not use soaps, detergents, solvents or abrasive materials.
- Not intended for use by children.

This product may contain substances that can be hazardous to the environment if not disposed of properly. Electrical and electronic equipment should never be disposed of with general household waste but must be separated for its correct treatment and recovery.

Where possible recycle your packaging.

This luminaire contains a light source with Energy Rating C

Physical Dimensions (Unit: mm/inch)

Power	Size(L1)	Size(L2)
100W/150W/200W Selectable	954(37.56")	981(38.62")

Product Specifications	100W/150W/200W Selectable
Input Voltage	220-240VAC (Subject to the input voltage on nameplate)
Power Frequency	50/60Hz
Outlook Dimensions	954x126x109mm(37.56"x4.96"x4.29")
Net Weight(±6%)	4.87kg(10.74Lbs)
