Talbot Hotel:

BELL 4W LED candles, a large proportion being from the Vintage range were supplied by AB Electrical, as part of a lighting solutions scheme for The Talbot Hotel, Malton, North Yorkshire. An initial trial batch of lamps were supplied, these were so successful that the lamps were rolled out to all communal areas, 26 bedrooms, banqueting halls and business meeting rooms.

“

We are delighted with the new lamps, in addition to the cost savings we now enjoy, the lamps fit perfectly with the existing fittings helping to create a friendly, welcoming ambience.

With 25,000 hours life these lamps really are 'fit and forget' eliminating the need for frequent and time consuming lamp changes with the associated labour costs.

Guests have commented on the new lamps, in particular the smooth dimming and the authentic vintage look
