PowerTech Ascend

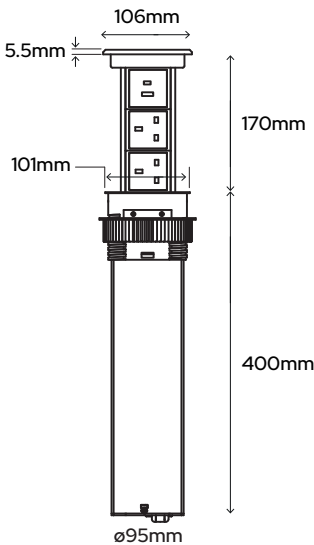

Motorised Socket

The PowerTech Ascend is a motorised socket with 2 UK Sockets and 2 USB Ports. With a simple touch of a button, the unit automatically rises from your worktop, revealing a sleek and powerful charging hub.

Designed for modern kitchens, home offices, and workstations, the Ascend combines convenience, innovation, and style to deliver power exactly when you need it—and hide away neatly when you don't.

- Motorised mechanism – smoothly rises and retracts at the touch of a button.
- Silver finish
- 2 x UK sockets – compatible with standard UK plugs.
- 2 x USB charging ports (1 x USB-A & 1 x USB-C) ideal for charging smartphones, tablets, and small gadgets.
- USB-C is 30W and includes power delivery
- Qi-certified 15W fast charger built into the lid
- Anti-trap safety mechanism
- IP54 Protection (when closed)
- Compact & modern design which blends seamlessly with home and office interiors
- 95mm cut-out
