

# Stair case time lag switch

EMN001

Technical Properties

| | |
|---|---|
| Type of contacts | 1NO |
| Rated operational voltage Ue | 230 V |
| Max. power with incandescent lamps | 2300 W |
| Type of connection | with screw |
| Acceptable current rating with AC1 | 16 A |
| Connection cross-sect. flexible conductor | 1 / 6mm² |
| Connection cross-sect. rigid cable | 1,5 / 10mm² |
| Fixing mode | Din-Rail |
| Frequency | 50/60 Hz |
| Operating temperature | -10 to 55 °C |
| Storage temperature | -20 to 60 °C |
| Protection index IP | IP20 |
