KBHDDC6S65

Blanca, LED Bulkhead for LED DD Lamps, IP65

Product Overview

Kosnic's IP65 LED bulkhead for LED DD lamps with emergency option offers a low maintenance and robust solution to lighting in corridors, staircases, security zones, thoroughfares and other areas where a practical lighting solution is required. The standard bulkhead can be used as a utility style bulkhead without a trim or can be enhanced with one of the four decorative trims to give a higher aesthetic appeal where required. The white trim is supplied as standard.

Features

Choice of alternative decorative trims (white supplied as standard)

Emergency option

Class II

IP65

IK10

Unit D2 Kennetside, Bone Lane
Newbury, Berkshire
T: 01635 523 713 E: sales@kosnic.com W: http://www.kosnic.com

Emergency Module

The optional emergency module provides power in the event of a cut in the supply and must be wired to the un-switched supply through the un-switched Live terminal. The battery will supply the lamp for over 3 hours at a reduced output level of 15-20% depending on the lamp wattage.
