SNU 10 Plus (GB)

SMALL WATER HEATER

PRODUCT-NO.: 204981

Experience high quality in a compact design

DHW heating at its best: this small water heater for undersink installation has an attractive design that will blend perfectly into your room. As the most compact in their class, the smaller models in particular take up very little space. Despite the small dimensions of this small water heater, it is certainly not lacking in output.

Convenient temperature adjustment

You get hot water quickly, without having to wait. Vary the temperature with the high quality haptic rotary selector. The small water heater requires little energy to keep the water constantly warm for you at the temperature you have selected. Another advantage: replacing an older model is very easy, as you can use the same wall mounting bracket for this small water heater.

SNU 5 Plus (GB)
Product-No.: 204971

The main features

- Compact and high quality small water heater for undersink installation
- Hot water available immediately
- Safe use due to adjustable mechanical temperature limit as anti-scalding protection
- Low energy losses at the tap thanks to integral thermostop function
- Quick and easy replacement of older appliances thanks to universal wall mounting bracket
- Optimised DHW heating for higher efficiency with ECO mode

Type	SNU 5 Plus (GB)	SNU 10 Plus (GB)
Part no.	204971	204981

Technical data

Connected load	2 kW	2 kW
Rated output 2	2,0 kW	2,0 kW
Power supply	1/N/PE	1/N/PE
Rated voltage	230 V	230 V
Fuse protection 2	10 A	10 A
Frequency	50-60 Hz	50-60 Hz
Energy efficiency class (A+ → F)	A	A
Standby energy consumption/24 h at 65 °C	0.19 kWh	0.31 kWh
Standby energy consumption/24 h at 38 °C	0.07 kWh	0.11 kWh
Nominal capacity	5 l	10 l
Mixed water amount at 40 °C	9,3 l	19 l
Temperature setting range	35-85 °C	35-85 °C
Version	Small water heater	Small water heater
Type	non-pressurised	non-pressurised
Installation type	Undersink	Undersink
With tap	-	-
Colour	white	white
Cable length	0,9 m	0,9 m
Operation	manual	manual
Temperature limit	•	•
IP rating	IP24 D	IP24 D

Height	423 mm	506 mm
Width	240 mm	290 mm
Depth	212 mm	282 mm
Weight	2.90 kg	4.20 kg
