Helix 2 Light Up and Down Outdoor Cylinder Wall Light with Photocell - Black

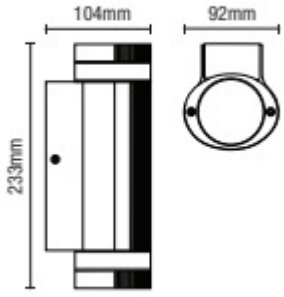

ZINK

ZN-35685-BLK

The Helix 2 Light Cylinder Outdoor Wall Light with Photocell Sensor offers both style and practicality for your home's exterior. Its modern black finish and tubular design provide a sleek, minimal look. The up-and-down lighting feature offers excellent task illumination, helping you navigate your outdoor spaces in any weather or lighting condition, while also serving as a security light. The integrated photocell sensor ensures it automatically activates at dusk for added convenience and safety.
