Premium Outdoor Lighting

Make a statement where it matters the most. Introducing Forum's new Premium Outdoor Lighting range. Our high-quality outdoor luminaires combine bold aesthetics with robust performance, delivering powerful illumination, long-term reliability and straightforward installation.

The range includes weather resistant outdoor wall lights and lanterns. All built to withstand the elements and suit both domestic and commercial exterior projects.

This premium outdoor range offers both traditional and contemporary designs which elevate the look of the outside space - not just light it.
